Crime Victim's Rights Week is April 19th thru 25th, 2015

Greetings.

The members of the Task Force are privileged to inform you that the New York State Crime Victims' Brick Memorial site on the north side of the Empire State Plaza is being renovated to improve the quality and configuration of the Memorial in time for the 2015 Brick Dedication.

The Crime Victims' Brick Memorial represents an extraordinary example of the essence of the many crime victims, their families, service providers, NYS agencies, and people working together to achieve a common vision. It stands today as a testament to the indomitable spirit that transcends and empowers. However, in the eighteen years it has existed, the volume of victims being remembered has caused us to outgrow the space. View our site at www.nycrimevictimstaskforce.org.

By partnering with the NYS Office of General Services to reconfigure the site, the Memorial will stand for victims decades into the future. Much needs to be done in order to realize the full impact and benefit of that original vision and we are working diligently to accomplish this vision. Please plan on attending the 2015 Brick Dedication Ceremony on Friday, June 12, 2015 from 1:00 pm to 3:00 pm. If you are unable to attend, please visit our website and view the Brick Photo Gallery.
