[COUNTY] IS TURNING PURPLE TO RAISE AWARENESS FOR DOMESTIC VIOLENCE.

City, State — The County Office Building will be bathed in purple light throughout October as [NAME OF COMMUNITY] marks Domestic Violence Awareness Month.

“It is my great pleasure to highlight the important issue of domestic violence by signing today’s proclamation and by throwing the switch to turn the floodlights on the County Office Building purple tonight. It takes a coordinated effort by all corners of the community – law enforcement, advocates, community groups, schools – to combat the scourge of domestic violence and declare that it will not be tolerated in our community,” [COUNTY EXECUTIVE NAME] said, as he/she was flanked by advocates, and law enforcement and other elected officials.

[NAME] County joins the statewide “NYGoesPurple4DV” campaign, which is spearheaded by the New York State Office for the Prevention of Domestic Violence (OPDV).

The campaign encourages public, private and non-profit entities to raise awareness of the issue by embracing the color purple – the symbolic hue for domestic violence awareness – by shining purple lights on buildings or other structures in their community, wearing purple or sponsoring awareness events. Each year, hundreds of organizations and individuals across the state participate in the Shine the Light on Domestic Violence campaign.

All New Yorkers are being asked to wear purple on Thursday, October 18, 2018 to help generate discussion and awareness of domestic violence and dating abuse.

[NAME], the [COUNTY] District Attorney said, “This is the first year we have participated in New York State’s efforts to raise awareness for domestic violence, but it won’t be our last. As our County Office Building is bathed in purple light tonight, I encourage all residents to take a moment and think about...
what you can do to help put an end to domestic violence in this community.”

[NAME], a survivor of domestic violence, said “Being here today, seeing how many people care, inspires a deep sense of gratitude.
